Respected Sir,

Sub: Written statement of discussion had with Inspector Srinivasan Regarding Mr. Bipin V Shastry.

I, Ragul R working for Zealous Group of Companies as its Chief Executive Officer know Mr. Bipin V Shastry when I was staying in Lemon Tree Shimona hotel, Opposite to MIOT Hospital, Nandambakkam when I used to come to Chennai from Hyderabad for my official purposes. I understood from the conversation with him that he is a Homeopathy doctor from Mumbai and he frequently travels to Chennai for Various political reasons along with his friends and Peers when we first met last year 2021 June.

Since i had to visit Chennai frequently I used to stay in the same hotel (Lemon Tree Shimona) and heard from the Manager of the hotel that Mr. Bipin V Shastry has been staying in the same hotel for almost a year. So when we initiated talking I told Mr. Bipin that due to Covid our companies are suffering from financial losses and we are looking for Financial Aid like Loans or Investments. So Mr. Bipin said that he is a very good friend of Mr. Narayana Rane Current Member of Parliament and former Chief Minister of Maharashtra and told that he will get funds from him which is approximately of 5 Crores for interest and got 20 Lakhs from me as cash on various occasions. When I understood that I am being played by Mr. Bipin I started asking him my money back and since then he left the hotel and communicates to me over phone whenever I say that I am going to give a complaint.

Later I also figured out that he is been cheating a lot of other people like me and also cheated the hotel without paying the bill to the hotel which is approx of 20 Lakhs. Adding to that I have also seen him talking to Mr. Narayan Rane and many other political people on a regular basis

and I suspect strongly that they are doing a lot of Illegal activities in the names of Political People.

I kindly request the Police Department of Tamilnadu to help me recover the lost fund for me and also request to take actions on Imposters like Mr. Bipin using the names of Mp's and Ministers. I hereby attach all the details of the Mr. Bipin V Shastry and his family details and the list of People he cheated throughout this course.

Regards,

Rahul Ramachandran
